EE DA HOW RIFLE & PISTOL CLUB

EE DA HOW LONG RIFLES, INC.

MODERN AND VINTAGE FIREARMS

SHOOTING SPORTS

P.O. Box 8591

BOISE, IDAHO 83707

Steel Challenge consists of multiple stages, each stage has a different configuration. All stages consist of five steel targets which may be shot in any order with any number of rounds, with the **RED** stop plate being shot last. Every competitor will shoot five strings of five targets at each stage. Each string is timed. Scored based on lowest times. We typically run three to five stages which requires 75 to 125 rounds of ammunition per gun if you don't plan on missing.

Competitors may use any pistol or carbine in pistol calibers. Firearms with detachable magazines are preferred. It is recommended to have at least three magazines, but five is preferable.

Open to all EE-DA-HOW club members and general public. Scheduled weekly, every Tuesday evening, May through June 2024. Set-up 4pm. Shooting starts 5pm. Late comers will be accommodated until 6:30pm. Shooting wraps up at 8pm.

This competition has a structured safety protocol which will be explained in the safety meeting before each match.

This is a **"COLD RANGE"** competition, meaning that all firearms will be unloaded, holstered or cased at all times, except when shooter is directed by Range Officer to **"MAKE READY"** and engage targets. There will be a safety table available to uncase and holster firearms. **Absolutely NO ammunition is allowed at the SAFETY table.** Magazines may be loaded anywhere else on the range.

Match Fees: \$10 for members and \$15 for non-members. 1 or 2 guns can be used and scored with a single fee. Juniors and first timers shoot for free. Pre-registration through [Practiscore.com](https://www.practiscore.com) is highly recommended. For links to registration, match scores, and more competition specific information check the website: [boisesteelchallenge.com](https://boisesteelchallenge.com) Participants are encouraged to help with setup and teardown.

Anyone interested in directing matches, setting up score tablets, taking fees or any of the other administrative duties are certainly welcomed.
