2024, 3RD SUNDAY OF THE MONTH

.22 BPCRS SILHOUETTE

On the Third Sunday of each month, we hold match Silhouette match that is a reduced size match that has become known as a “Crosno” match first introduced by Mr. Dave Crosno. The match is fired on the Schuetzen Range with single-shot rifles chambered for the .22 Long Rifle Cartridge.

Rifles are vintage or reproductions of the American-made single-shot, Black Powder Cartridge rifles, such as those made by Sharps, Winchester, Remington, Stevens, Ballard or others, having an exposed hammer, of the late 1800s but in **.22 Long Rifle caliber**.

The rules for shooting are the same as for Black Powder Cartridge Silhouette matches regarding the format, shooting positions, and equipment. .22 Caliber barrel liners are allowed in large caliber rifles. There are two divisions, Iron Sights and Scope.

The course of fire is 10 targets each at reduced size, targets of Chickens 50 yds, Pigs 100 yds, Turkeys 150 yds, and Rams 200 yds. As in BPCR Silhouette, Chickens are fired from the offhand position, Pigs, Turkeys, and Rams from prone or sitting with cross-sticks.

Setup and registration begins at 12:30 p.m. and the match begins at 1:00 p.m. There may be a short sight-in period prior to the match for those who need sight settings. If you have questions, contact Frank Cornell, 208-871-7504 or 77mskid@gmail.com.
