# AT THE RANGE

## Club Volunteer Opportunities (*cont.*)

We will work on the projects in the order listed above. Workdays will start at 9:00 AM and end at 3:00 PM. If more than scattered showers are in the forecast for a scheduled day, then that workday will be rescheduled.

For the first three scheduled dates bring heavy gloves and ear protection. Bring your own lunch. Water and all tools and supplies will be provided.

Please email me at [kimdtish@gmail.com](mailto:kimdtish@gmail.com) no later than two or three days before each workday so I will know who and how many to count on.

### \*\*\*\* Email Change for Range Safety Officers and Range Safety Assistants \*\*\*\*

For all members interested in volunteering as a Range Safety Officer, taking the EDH Range Safety Assistant Test or scheduling the Line RSO orientation, the new email address is:

Ralph Jackson, [bcr.supervisor.2011@gmail.com](mailto:bcr.supervisor.2011@gmail.com)

These changes are reflected in the "Reference" section of this newsletter.

## MATCH RESULTS

### Lever Action News, February 3, 2024

*Gary Woods*

The first lever action match of 2024 was notable for torrential rain with wind and slushy snow. I was thinking this is not a good omen! I had texts and messages on my phone asking if we were going to have a match. I really did not want to go to the range but knew I must.

When I arrived at 8:45 there was already a crowd of nine competitors waiting for me!! We had the match through the rain and the snow which followed. Everyone was ready to get out of the house for some trigger time.

I did notice most of the scores were lower. Bill Lutz was the exception, winning the match with 31/40 and John Damiano followed with 25/40. Harvey Dietz knocked down 10 chickens to earn a 10-in-a-row pin and win the AA class.

Rich Johnson and I have served as lever action match directors for many years, since 2008 or earlier. We have pulled together many club matches, state championships, barbecues, work parties and repairs, welded many targets and a plethora of other tasks that we felt needed to be performed. I will be 75 this year and Rich has a couple more years on me so this will be the last year for me/Rich to be match directors for the lever action silhouette matches. It's been a good run and provided community service for the Boise area. Now it's time for us to step down.

March's match will be held March 2<sup>nd</sup> with pistol caliber and pistol/revolver matches in the morning. After lunch will be the small bore lever action match. Hope to see you there!

The results of February's lever action match are listed on the next page.

## **.22 Silhouette Competition, February 10, 2024**

*Pat McReynolds*

We had ten shooters for our first 100 yard match of 2024. It was a bit on the cool side but not really that noticeable with the heater going and no wind to speak of.

Dave McKee earned 1<sup>st</sup> place in the iron sights category with a 32. We had several good scores in the open class. Dick Trudeau took third with a 31. Charlie Strasser, relatively new to this game, has upped his game and took second with a 32. It came down to a shoot off for first place in the open class and overall match winner when both John Hinman and Mario Watkins scored 35 with 5 chickens. Mario took down 4 out of 5 chickens in the shoot off. Great shooting, guys!

March will be a 200 yard match on the 9<sup>th</sup>. Set up and registration starts at 8:30 and we try to get the match started at 9:00. Fees have gone up to \$10 for members and \$15 for non-members. First time shooters are still free!

## M1 CARBINE SILHOUETTE MATCH (40 TARGETS / 60 SHOTS)

**FEBRUARY 17, 2024**

*Rich Johnson*

We had nine shooters for our first M1 Carbine match of 2024. It was a cold, windy day but the carbine barrels and scores were hot! John Hinman was the match winner with a 39. Ken Greger was 1<sup>st</sup> with a 36 and Bill Agler was 2<sup>nd</sup> with a 33.

The next match is Saturday, March 16th. It will be the 12<sup>th</sup> anniversary of this event. Hope to see you all then!

## Black Powder Cartridge Rifle and Vintage Military Silhouette

February 24, 2024

*Kenny Durham*

On Saturday, February 24<sup>th</sup> we held our first BPCRS/Vintage Military Rifle Silhouette match for 2024. We had seven shooters that braved the chilly weather to take part in knocking over the steel critters.

Frank Cornell posted the winning score of 30 hits and managed to score 10 hits on both Pigs and Turkeys! The most impressive shooting was with Dave McKee hitting 7 out of 10 chickens shooting offhand. Doug Cooper took 2<sup>nd</sup> place with a score of 29 followed by Dave McKee scoring 26 and claiming 3<sup>rd</sup> place. Kenny Gregor was the only Vintage Military Rifle shooter trying his luck with a 1903 Springfield rifle.

Our next match will be Saturday, March 24<sup>th</sup>. We had planned to hold our traditional 2-day Cabin Fever match that weekend but have decided not to hold it this year due to my busy schedule and the low turnout we've experienced with getting the Upper Silhouette Range back in to operation.

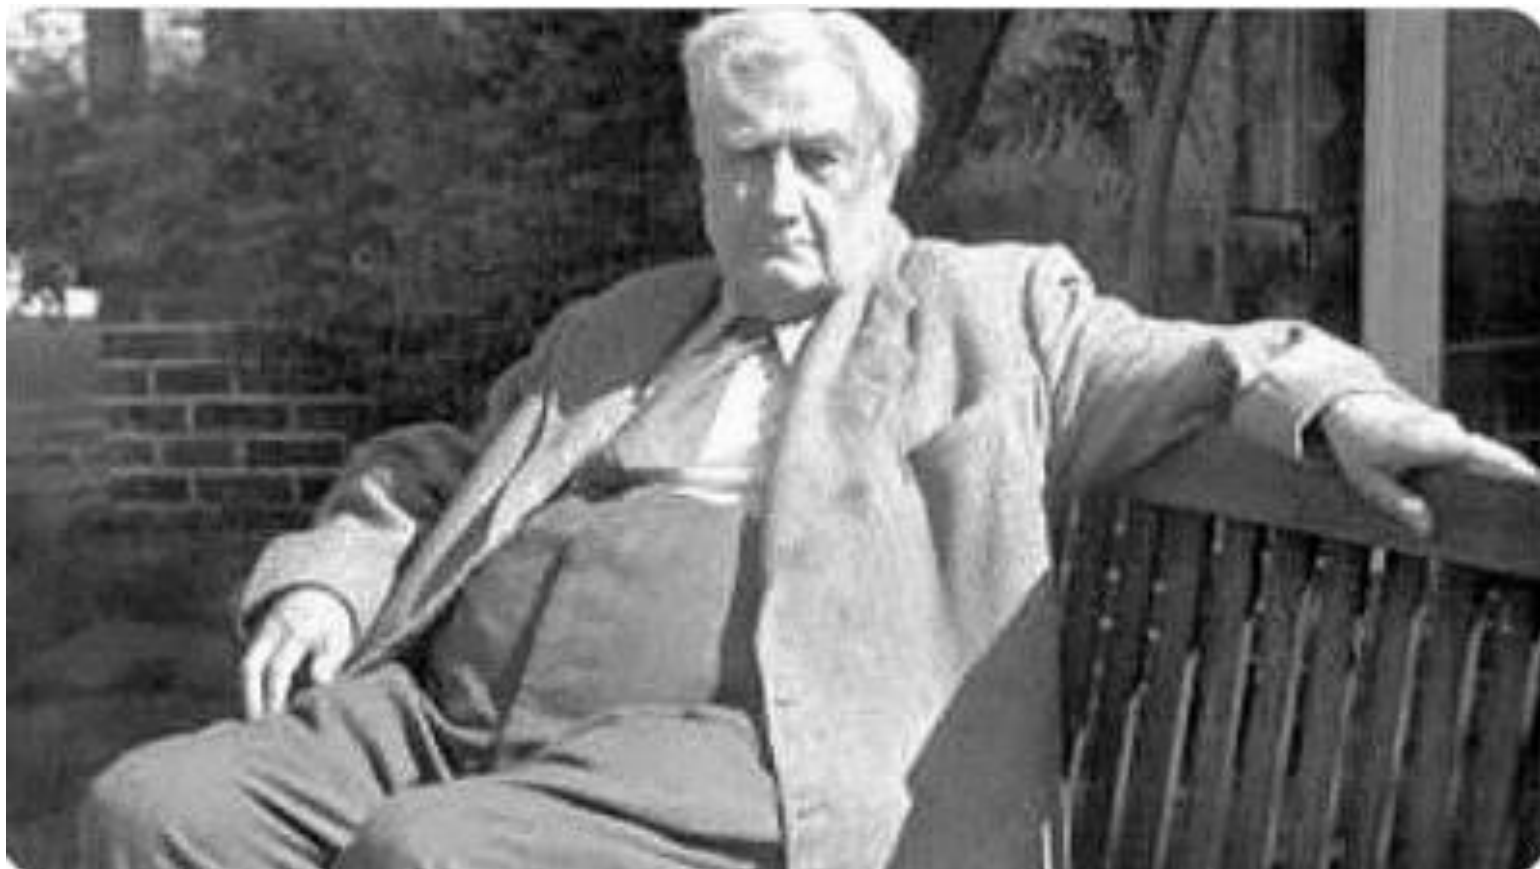

However, we will be holding the Idaho State BPCRS Championships in June. The program and entry form will be sent out soon.

All the best!

**The next match will be on Saturday, March 24, 2024**

Friends, do you suffer from the embarrassment of “*Fat Lazy Ass*”?

Do you stomp on berms instead of taking a second to walk around them?  
Then you have.....“*Fat Lazy Ass*”!!

Fortunately, there is a cure – *Givadam!*

Yes, Givadam, the miracle product that everyone’s talking about!

One simple application of Givadam will help prevent trashing the LSR we know and love and everywhere else at Black’s Creek Range as well.

Remember, when your fat, lazy ass is tempted to make the range a little bit worse for everybody else...
