

EE-DA-HOW RIFLE & PISTOL CLUB
2025 .22 CAL. RIMFIRE SILHOUETTE
2ND SATURDAY OF THE MONTH

.22 SILHOUETTE

On the second Saturday of each month, we hold a match we call **.22 Silhouette**.

It is open to any safe .22 caliber rimfire rifle and there are two classes: **iron sights or scope**.

It is a great way to get started in the variety of the shooting games sponsored by the Ee-Da-How Rifle & Pistol Club. It is open to the public and Club membership is not required to participate.

We alternate between 100-yard and 200-yard matches monthly. Both are run in the same format, but with different sizes of steel animal targets. The 100yard distances are 40 yard chickens, 50 yard pigs, 75 yard turkeys, and 100 yard rams.

For the 200 yard match the animals are set at 50, 100, 150, and 200 yards. Chickens are shot offhand, but the other three animals are shot from a prone position. In recent years we have had a number of shooters physically unable to shoot from a prone position and so we allow them to shoot from a bench using shooting cross-sticks as the only acceptable rest to be used.

Each relay is given 10 minutes to shoot as many sighters as they wish at the swingers and then one shot per each of the ten animals. Shooting sticks and pads for shooting prone are provided at the range if you do not have your own. Setup and registration begins at 8:30 a.m. and the match begins at 9:00 a.m. For more information, contact Pat McReynolds (208)789-5517 or pkmcreynolds@msn.com
